

# Civilian Combat Agency perspective - Recurring lessons identified from domestic civil-military responses

Deputy Commissioner Daniel Austin  
NSW State Emergency Service

[www.ses.nsw.gov.au](http://www.ses.nsw.gov.au)

# Themes

## Relationship building and maintenance with ADF (JOSS and JTF 629)

- *Lesson to improve*
- *Number of supporting observations (approx.) –14*

## Enhancing NSW SES understanding of Defence operations

- *Lesson to improve*
- *Number of supporting observations (approx.) – 13*

## Exploring ADF capabilities for use in flood and storm

- *Lesson to improve*
- *Number of supporting observations (approx.) – 16*

## Enhancing ADF understanding of NSW emergency management arrangements

- *Lesson to improve*
- *Number of supporting observations (approx.) – 5*

## Training in DACC requests

- *Lesson to improve*
- *Number of supporting observations (approx.) – 8*

## Joint exercising with ADF

- *Lesson to improve*
- *Number of supporting observations (approx.) – 5*

# Recommendation

- That a small, focused, time-bound workgroup of NSW SES, Emergency Management Australia and the Australian Defence Force personnel be established to review the lessons identified from these flooding events and provide advice on actions required to learn them.
