Whole of Government Lessons Management Framework

- To provide a starting point and guiding principles for lessons management
- Encourage collection of lessons and experiences
- Promote interagency lessons sharing for organisational learning
- Generic framework to help develop or support lesson processes
- Uses common lessons management language and methods
- Promotes executive understanding of the lessons process and the benefits

The Australasian Lesson Managers Community of Practice

- **Why**
 - To facilitate collaboration of lessons practitioners on lessons management
 - The CoP focusses on lessons management and not lessons
 - Encourage networking
- **What**
 - Approximately 108 members – Australia, New Zealand, UK with interest in the US
 - ACMC in conjunction with NEMA plan and conduct the meetings/workshops
 - Uses GovTeams as a platform
 - Meets roughly every quarter (depending on member availability)
